

A Barnabas Building Property

HOW MILWAUKEE'S FINEST buildings and homes PROTECT THEIR INVESTMENT:

On behalf of **Barnabas Building Properties LLC**, I would like to express our appreciation for the work on our Jefferson Building. The building owner wanted to **reduce the amount of air leakage** in the building, caused by openings around various penetrations and air leakage at the roof line. We were impressed with your professionalism, and the **efficiency and effectiveness** of your work. We look forward to realizing **substantial savings** on our heating and cooling costs, and having **comfortable** and satisfied tenants. Thanks again to you and your staff. — Janet L. Menz, Property Co-Manager
